How To Find Textbooks In The Bookstore

- Bring your most up-to-date schedule.
- Textbooks are arranged alpha-numerically by subject and course number, with the exception of ENGL, ISYS and NURS textbooks, which are located in the middle of the store.
- Signs at the end of each aisle indicate which classes are down that specific aisle.
- Match the subject, course number and CRN to the appropriate shelf tag.
- Shelf tag includes the title, edition, new/used prices and rental options of the book(s) required for the class.
- Some shelf tags say "All Sections" meaning all sections of that particular course are using the same textbook.

Textbook Rentals

- Certain textbooks are available to rent at a lower price for the current term.
- You must be 18 years of age or older to rent.
- You must have a valid credit/debit card in your name.
- Rentals must be returned in resaleable condition (i.e., no water damage, cover attached, no missing pages, etc.).
- If textbooks are not returned, the credit/debit card used to secure the rental(s) will be charged the remaining balance to replace the book, plus a \$5 late fee per textbook rented and not returned.
